Class Descriptions

Theory I: An introductory course into the basics of music theory.

Theory II: A slightly more advanced course for those with basic music theory knowledge.

Score study with Anna: Ever wonder what composers were thinking when they wrote their most famous symphonies? Join WSCO's Symphony Orchestra conductor, Anna Wittstruck for a deep dive into what's really going on beyond the notes.

"Open Mic Nite": Tune in or perform for a Zoom "Open Mic Nite", hosted by WSCO staff & board. Perform solo or with other members of your household, or simply sit back and listen to your fellow musicians. Interested in performing? Email Clarisse at manager@wscorchestras.org
